Club Women Mix Fun and Business

Twenty members of the National Business and Professional club of Torrance held their regular business meeting at the Nurses Home, 1416 Engracia avenue, Monday evening, and elected Betty Parks, Dollie Hoxie and Addie Miller to serve as delegates to the district convention to be held at the Mira Mar hotel in Santa Monica, Saturday, April 10, Margaret Wright, and Teala Billini were elected to serve as alternates. Margaret Wright, Mary Hatig and Ethel Ward as members of the nominating committee will give their report at the business meeting in May.

Esther Maxwell and Ethelwyn Niles as co-hostesses for the evening arranged a novel social hour which included stunts or character skits by all present. Those not having stunts prepared were fined. This proved most interesting and fines were few. There were Hill Billies, in garish costumes, who sang, there were human interest stories, magic and what not. Esther Maxwell acted as mistress of ceremonies.

New P.T.A. Council Named Gateway

Parent Teacher Associations of the Junior and Senior High schools of the Harbor District met at the Gardena High school Monday and organized the Gateway council. This group comprising members of Richard Dana High school, San Pedro High school, Banning High school, Torrance High school, Narbonne High school and Gardena formerly met with the Senior High Council in Los Angeles. It is believed by Tenth District and council officers that the harbor group meeting together will accomplish greater things since their interests are more in common.

Mrs. C. M. Sparks, assistant parliamentarian of Tenth District Parents and Teachers organized the group, who elected Mrs. Jack Lowry, president of the Gardena High school as their first president. Other officers elected were as follows: Mrs. Raymond Waldo, San Pedro, first vice-president; Mrs. Wm. Schubert, Wilmington, second vice-president; Mrs. L. Peterson of Lomita, recording secretary; Mrs. J. O. Bishop of Torrance, financial secretary; Mrs. W. F. Pike of Wilmington, treasurer; Mrs. L. H. LeGrant of San Pedro, auditor, and Mrs. O. W. Story of Good Will Industries Features Luncheon Session; Primary Election is Held

All the color and romance of early California was beautifully pictured for Torrance clubwomen Wednesday when Mrs. Elaine Anderson Dudley, who for 12 years has been associated with the Good Will Industries of California, appeared in Spanish costume to give her famous talk "Seventy Years on Main Street."

This is the story of the home of the Good Will industries and some of the people who work there. It is interesting to know that the discarded material gathered up at homes gives to the workers at the Good Will a weekly payroll of \$8,000.

Mrs. Dudley had with her a hand-made Spanish shawl, a personal gift which was more than 300 years old. She issued a special invitation to clubwomen to attend the third annual open house being held April 22-23 and 24 from 10 a. m. to 4:30 p. m. and until 9 p. m. on Friday evening, April 23.

It is with a note of wistfulness that Mrs. Dudley told the ladies that the present home of the industry will soon be a memory. She stated, "We will have fun building a new home on 30 cents."

The tables for the luncheon at which 70 ladies were seated were decorated in Franciscan pottery and California poppies. Mrs. James Reed, district garden chairman, was the luncheon speaker.

She spoke on floral arrangements, grouping of colors and use of blossoms to use for various occasions. She invited the local ladies to attend the annual Wistaria fete on District Garden day at Sierra Madre. This will be April 13 and luncheon reservations must be made in advance.

Primary Shows Trend

Lillian Barrington seems to be the choice of local clubwomen for president for the ensuing two years. At the primary election held Wednesday all but four votes were cast in her favor.

Mrs. M. J. Beale, retiring vice president, will undoubtedly be the choice for second vice president. Mrs. Emily Locke for corresponding secretary, Mrs. Juliette Johnson, treasurer, and Mrs. Jamieson, auditor. The vote on other officers were too scattered to predict on outcome at this date. The general election be held Wednesday, May 6.

Doings of Ladies of the Moose

Women of the Moose Torrance chapter No. 44 will meet Friday, April 9 at 12:00 o'clock at the home of Mrs. W. Barnett, 2002 Andreo avenue, for a hot luncheon and cards. Tallies may be secured from ladies of the drill team.

Moneys derived from these parties, held weekly at the various homes will be used to help defray the expense of sending the drill team to convention at Sacramento in July.

Mildred King will serve as guest junior regent when the local ladies go to the Golden State chapter in Los Angeles, April 22, to assist in initiation work.

All members are urged to be present at the regular social meeting to be held in the hall, 1951 Carson street, Friday (tomorrow) evening at 8:00 p. m.

DESSERT BRIDGE AT LUDLOW HOME

Mrs. Scott R. Ludlow, 1329 Engracia avenue, was hostess when she entertained at a dessert bridge party in her home Friday. Covers were placed for Mmes. Harley Haynes, F. C. Winkler, Boyd Thompson, Paul Watson M. J. Beale, Ralph Hatton and John Cooper.

Mrs. John Cooper was awarded prize for high score in contract bridge with Mrs. Paul Watson receiving prize for low score.

Card Party Serves Worthy Cause

Twenty tables were in play at the card party given Thursday evening in the Torrance Woman's club house. The affair sponsored by the high school Parent Teachers Association was one of the year's nicest affairs. Mrs. T. J. Wilkes served as chairman with Mrs. Dean Sears as co-chairman. Assistants from the affair will assist in purchasing a life membership. Money from life memberships, which cost \$25 goes into a state student loan fund, which the Parent Teachers Association of California keep for worthy students. Young folks may borrow during their school years and pay back, when they are financially able. It is surprising to note that most persons borrowing from this fund have succeeded in paying their loans in full shortly after leaving college. In the past year Parent Teachers Associations of California purchased 431 life memberships.

Prize winners at the Thursday evening party were as follows: Mrs. Harry McManus, Mrs. J. E. Hitchcock, Mrs. Thompson, Mrs. J. Hartley, Mrs. McKenna, Miss Rose Ortman, Mrs. S. Webb, Mrs. Ila M. Gilbert, Wallace Gilbert, J. J. O'Toole, L. H. Gillies, Harry U. Higgins, Frank Ackerman, James Livermore and James Hitchcock.

Paris Styles by MARY FENTRESS

PARIS (U.P.)—Suzanne Lenglen, the famous French tennis star, buys all of her clothes from the couturiere, Jenny. She prefers sports clothes for day wear and often is seen on the streets of Paris in two-piece tailored suits with tailored blouses or knit sweaters that are made with high, turn-over collars. Her dark, bobbed head invariably wears a hatless and she usually wears a heavy three-quarter sports coat of brown beaver thrown over her shoulders. She walks quickly with her arms swinging at her side rather than thrust through the sleeves of the beaver coat.

Suzanne Lenglen has ordered numerous shorts of dull, white silk to be worn with short-sleeved, tailored blouses of the same silk for the many tennis exhibitions which she gives every season. For her work on the courts with her children's tennis school, Jenny has made pajamas of white wool for Mile. Lenglen. These are cut with a slight flare which allows absolute freedom of movement on the courts.

When the King of Sweden, for many years a tennis devotee, came to Paris recently he received Suzanne Lenglen and Jean Borotra. Miss Lenglen, on this occasion, wore a Jenny costume in a multicolored wool mixture. This costume was made in redingote style and was worn with a swagger top coat, half sports and half dressy. She also has ordered several tailored two-piece suits, a black jersey ensemble, a black and white woolen skirt and jacket worn with a white linen blouse with a pleated plastron and a navy blue alpaca suit with a pale blue blouse.

TODAY'S FASHION TIP

New tennis shirts are of dull white silk.

The painting is 35 feet long and seven and one half feet in height, and includes more than 20 figures and represents the food supply of the Pueblo of Taos. This painting has taken Miss Skeels more than seven months to make and is based on her study of the life of Taos.
